Office of Administration & Resources Management									
Record Number	NAICS Code	Description	Contract Type Proc Method	Est Dollar Range	PO/Div Orig Req	Solicitation Issue Date	Target Award Date	Name & Telephone	Place of Performance

FY08-196		This requirement supports the following areas: technical product development support; exercise development and conduct support; training and information management support; materials development; program evaluation and logistical support; and policy, literature and document review.	To Be Determined To Be Decided After Market Research	>\$3M - \$5M	RPD	FY 2010 Q2	FY 2010 Q3	Rodney-Daryl Jones 919-541-3112	
FY09-015	541330	The contractor shall supply vehicle and engine emissions testing, sampling and analysis, and related services such as vehicle and engine recruitment, fuels/fuel additives procurement and analysis and emission control component evaluation. The contractor shall also provide related refinery modeling and environmental/economic analysis and modeling support.	Cost Plus Fixed Fee Full and Open Competition or Competitive	>\$10M - \$50M	Office of Transportation and Air Quality (OTAQ)	FY 2010 Q2	FY 2010 Q3	Kathleen Roe	
FY09-051	541990	Analytical services in the form of model outputs from a specialized computable general equilibrium model. The model must be capable of estimating economic impacts of emissions mitigation, and be easily enhanced to track emissions and mitigation costs for various greenhouse gas and sequestration options. The model must be econometrically estimated from data for the U.S. economy, and must be at least as disaggregated as the two digit NAICS data.	Indefinite Delivery Indefinite Quantity Sources Sought Will Determine Procurement Method	>\$1M - \$3M	Climate Change Division	FY 2010 Q1	FY 2010 Q3	Margaret Kline	TBD
FY09-068	541620	Monitoring Services to Operate Automated Mercury Speciation Units and Related Equipment in a Network Mode	Firm Fixed Price Full and Open Competition or Competitive Indefinite Delivery Indefinite Quantity Full and Open Competition or Competitive	>\$250K - \$500K	Clean Air Markets Division	FY 2010 Q1	FY 2010 Q2	Sheman Farves	Contractor's Facility
FY09-072	541380	Provide filter acceptance testing services	To Be Determined To Be Decided After Market Research	>\$250K - \$500K	OAQPS	FY 2010 Q1	FY 2010 Q3	Antonio Leathers 919-541-2312	
FY09-073	541620	Provide support for the source specific regulatory programs including the development of technology-based standards for both major and area sources, residual risk standards and other development activities.	To Be Determined To Be Decided After Market Research	>\$10M - \$50M	OAQPS	FY 2010 Q4	FY 2011 Q2	Rob Flowers 919-541-2182	
FY09-071	541620	To provide support in the management of air pollution control information and the implementation and integration of air pollution control programs under the Clean Air Act. Includes support for the development and implementation of national regulations, policies and guidance for various CAA programs, including NAAQS, Air Toxics, New Source Review, Regional Haze, Title V Operating Permits and implementation planning.	Cost Plus Fixed Fee To Be Decided After Market Research Level of Effort To Be Decided After Market Research	>\$5M - \$10M	OAQPS	FY 2010 Q2	FY 2010 Q4	Rodney-Daryl Jones 919-541-3112	
FY09-074		Support for comprehensive evaluation of the air quality data and type of progress states are making toward meeting NAAQS. Includes analysis and review of existing air quality data to verify improvements/declines in air quality (monitoring and modeling) and tracking States' progress in SIP development	To Be Determined To Be Decided After Market Research	>\$5M - \$10M	OAQPS	FY 2010 Q2	FY 2010 Q4	Rob Flowers 919-541-2182	
FY09-077	541620	Support required in the areas of campaign strategy, audience and consumer research, campaign marketing plan, production, PSA packaging and kits for media and partners, national distribution, maintain a record of media tracking and feedback, maintenance of all campaign products and masters, and leverage IAQ stakeholders and non-profit organizations.	To Be Determined To Be Decided After Market Research	>\$1M - \$3M	IED	FY 2010 Q1	FY 2010 Q4	Rodney-Daryl Jones 919-541-2182	

FY09-075	541330	Characterization of stationary sources and ambient air quality; review of federal, state, or local air pollution agency standard setting project work plans or permits; review of test requests; development and evaluation of monitoring specifications and methods for ambient and source measurements.	To Be Determined	>\$5M - \$10M	OAQPS	FY 2010 Q2	FY 2011 Q1	Natalia Fisher-Jackson	
			To Be Decided After Market Research					919-541-3564	
FY09-078	541620	Provide support with technical and informational assistance to support the public by providing information on IAQ issues.	To Be Determined	>\$250K - \$500K	IED	FY 2010 Q1	FY 2010 Q3	Rodney-Daryl Jones	
			To Be Decided After Market Research					919-541-3112	
FY09-076	561990	Conference planning support	To Be Determined	>\$500K - \$1M	OAQPS	FY 2010 Q2	FY 2010 Q4	Rodney-Daryl Jones	
			To Be Decided After Market Research					919-541-3112	
FY09-080	541620	Support to upgrade data systems in the code, for multi-processor and multi-threaded updates and responding to questions from the user community.	To Be Determined	>\$100K - \$250K	ORIA/RPD	FY 2010 Q3	FY 2010 Q4	Rob Flowers	
			To Be Decided After Market Research					919-541-2182	
FY09-079	541620	Facilitate the National Asthma Forum and Tools for Schools Symposium, organize and acquire facility for 300-500 attendees, organize and manage registration, provide planning and follow-up support, communication, outreach and product development and support of symposia materials, recruit participants, symposia awards ceremonies, sessions, on-site support and follow-up with attendees, reporting.	To Be Determined	>\$1M - \$3M	IED	FY 2010 Q1	FY 2010 Q3	Rodney-Daryl Jones	
			To Be Decided After Market Research					919-541-3112	
FY10-094	541613	Provide full-service marketing, media and public information and technical support, including planning, creating, designing producing and placing advertising to support EPA's Energy Star programs and emerging initiatives	To Be Determined	>\$10M - \$50M	CLIMATE PROTECTION PARTNERSHIPS DIVISION	FY 2010 Q3	FY 2011 Q1	Sharron Doherty	
			To Be Decided After Market Research						
FY10-095	624190	Provide hotline services to respond to calls, letters, faxes, and E0mail/Internet inquiries from the public on appropriate CPPD programs. Distribution of CPPD program material as appropriate.	Fixed Price Incentive Fee		CLIMATE PROTECTION PARTNERSHIP DIVISION	FY 2010 Q3	FY 2011 Q1	Jessica Wilson	
			Competition Restricted to 8(a) Certified Companies						
FY10-096	541620	Provides economic, technology, health risk, environmental risk/impact, market analyses, regulation support, support for voluntary programs, monitoring and evaluation of compliance, communication and outreach to diverse audiences.	To Be Determined	>\$10M - \$50M	Stratospheric Protection Division	FY 2010 Q2	FY 2010 Q4	Nicole Schuller	
			To Be Decided After Market Research						
FY09-099	541613	The efforts to be supported by this contract include both regulatory/compliance programs such as Regulatory Development, Transportation Conformity and Inspection/Maintenance (I/M) as well as voluntary programs such as SmartWay Transport Program (SWT), and Diesel Retrofit and may include the development and proliferation of future programs. EPA programs must be evaluated and implemented on clear scientific measures and ensure that they provide the best environmental improvements; therefore analysis and testing are important to the programs. For the voluntary programs in particular, it is vitally important to inform partners and the public of these programs, to encourage broader participation and to expand and enhance current and future programs in accordance with EPA goals. The contractor shall provide services to support OTAQ in accomplishing various air quality improvements	Cost Plus Fixed Fee	>\$10M - \$25M	Office of Transportation and Air Quality (OTAQ)	FY 2010 Q4	FY 2011 Q2	Donna Reinhart	Contractor's facility
			Outreach and Marketing Support; Data Management; Program and Emissions Analyses; and Vehicle and Engine Testing					Full and Open Competition or Competitive	

Office of Enforcement and Compliance Assurance									
FY09-053	541618	Analysis of financial issues that impact enforcement litigation and development and delivery of training in this same area.	Fixed Rate FSS (Federal Supply Schedule) (Non-MOBIS)	>\$1M - \$3M	Office of Civil Enforcement, Special Litigation and Projects Division	FY 2010 Q1	FY 2010 Q1	Rachel Schwartz 202-564-1053	
Office of Solid Waste & Emergency Response
