Dear Friends,

Thank you for your past support of the NYC Post’s Scholarship Fund. Our scholarships continue to grow in number and this year we will distribute over 210 scholarships to students at 70 institutions of higher learning throughout the U.S. - investing in the education and training of the next generation of engineers, architects, and construction professionals.

We are thrilled to announce that our Dinner Dance this year will be an in-person event and planning is underway for the evening of Saturday, November 6, 2021. It will be our honor to recognize the accomplishments of public and private sector entities in engineering, construction, and architecture who successfully overcame the challenges of working through the height of the COVID-19 pandemic to deliver superior projects. This year’s honorees are:

- Public Owner of the Year – Empire State Development Corporation
- Project of the Year – Skanska and NY ESDC
- Contractor of the Year – Halmar International
- Designer of the Year – HNTB
- Military Guest of Honor – U.S. Public Health Service

Our event will be held at a new venue, Cipriani South Street, at the historic beaux arts Battery Maritime Building. Please save the date now. Our various contribution levels are listed below:
